THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Rumney in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Rumney on Tuesday, the thirteenth day of March next, at two o'clock in the afternoon, at which time the polls shall be opened and shall close not earlier than nine o'clock in the afternoon to act upon the following articles: all articles not on the ballot will be acted upon at seven-thirty o'clock in the evening.

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see how much money the Town will vote to raise and appropriate for the maintenance of its highways and bridges.

4. To see how much money the Town will vote to raise and appropriate for the maintenance of the Library.

5. To see how much money the Town will vote to raise and appropriate for the Fire Department.

6. To see how much money the Town will vote to raise and appropriate for the care of the Cemeteries.

7. To see how much money the Town will vote to raise and appropriate for the care of the Common and the daily raising and lowering of the flag.

8. To see how much money the Town will vote to raise and appropriate for Street Lights.

9. To see how much money the Town will vote to raise and appropriate for the LaMott-Kenneson Post No. 76, American Legion for Memorial Day and other patriotic purposes.

10. To see how much money the Town will vote to raise and appropriate for the care of the Town Dump.

11. To see if the Town will vote to raise and appropriate \$343.36 to secure from the State \$2,289.09 to be expended for Town Road Aid.

12. To see how much money the Town will vote to raise and appropriate to pay the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town in co-operating with other towns in the Lakes Region.

13. To see what sum of money the Town will vote to raise and appropriate towards the operation of the Sceva Speare Memorial Hospital in Plymouth, N. H.

14. To see what action the Town wishes to take in regard to Civil Defense and raise and appropriate money for same.

15. To see how much money the Town will vote to raise and appropriate for Legal Advice.

16. To see if the Town will vote to raise and appropriate the sum of \$100.00 for White Pine Blister Rust Control Program in co-operation with the Forestry and Recreation Commission.

17. To see if the Town will vote to add to the Capital Reserve Fund in the amount of \$1,500.00 to be transferred from surplus funds for the purpose of purchasing Highway Equipment.

18. To see if the Town will vote to authorize the Selectmen to administer, lease, rent, sell or otherwise dispose of any real estate or mineral rights acquired by the Town at any of its tax collector's sales.

19. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

20. Shall the provisions of Chapter 171-A of the Revised Laws relative to the playing games of Beano be adopted in this town.

21. To hear the reports of Agents, Auditors and Committees heretofore chosen and to pass any vote relating thereto and to transact any other business that may legally come before said meeting.

Given under our hands and seal, this 17th day of February, in the year of our Lord nineteen hundred and sixty-two.

CIVIL DEFENSE

The 1961 Alert Test was held in May, followed by a state testing of our warning system.

Mrs. Betty Leavitt and James Darling went with me to a very interesting state-wide meeting in Concord. This meeting was held at the State House and Governor Powell was in charge.

C. A. Brinkman, who has been State Civil Defense Director for the past twelve years, has resigned. A reception was held for him in December to which all of the Civil Defense Directors were invited. Rumney was represented by letter.

Adjutant General Francis B. McSwiney was appointed State Civil Defense Director. The Defense Agency has moved to its new headquarters in the Armory, Airport Road, Concord.

General McSwiney called a meeting Jan. 11 to brief town directors of their duties and to explain the new shelter program which is already underway. This meeting was attended by Mr. Lyle McGinnis, Mrs. Natalie Brown and Mrs. Doris Tunnell.

There is a new booklet called Fallout Protection which is very good. If you haven't a copy ask for one at the library or your director.

A Bendix meter for reading fall-out has been added to our Civil Defense equipment.

Once again I urge all families to prepare for emergency. Any shelter is better than none and the thicker the covering the better you are protected.

I wish to thank all who have helped in Civil Defense this past year. It was greatly appreciated.

DORIS TUNNELL,

Civil Defense Director

Rumney Fire Chief

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we - you - and I, can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations - hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
 2. Secure the required burning permit.
 3. Keep your fires under control.
 4. Completely extinguish your fires before leaving them.
 5. See that your children are properly cautioned.
- Everyone will benefit by it.

1961 Fire Record

Number of fires	2
Number of acres burned (1 spot)	1
Number of permits issued	116

Forest Fire Warden

LLOYD E. FRENCH, Sr.

District Chief
Gerald S. Gross

**REPORT OF THE TRUSTEES OF TRUST FUNDS
OF THE TOWN OF RUMNEY, N. H.**

December 31, 1961

During the calendar year of 1961 five new trust funds were established and several were increased in amount, for the care of cemetery lots so that a total of 141 funds are now being administered. During the year we received stock dividends of 60 additional shares of our mutual fund holdings besides cash dividends. One of the mutual funds shares was sold at a gain of \$1,756.13 and the proceeds invested in another fund from which we have received both stock and cash dividends.

This makes our total holdings worth more than the purchase price which we paid in November 1959 by \$2,967.13. The Town continues to add \$2,000.00 yearly to their Highway Equipment Fund as voted in 1960.

Details of the various funds follow this report.

Respectfully submitted,

ASA P. COLBY
HAROLD A. MURDOUGH
RALPH E. BAILEY

Federal, State and Town Books	6
Number of Books withdrawn	16
Adults Books borrowed	2,981
Juvenile Books borrowed	2,573
Magazines Borrowed	703
New Borrowers	39
Number of Borrowers	388
Average Daily Circulation	59.6
Reference Questions	217

Donors of books and magazines: Mr. Jesse Barney, Mrs. Florence Everett, Mrs. Reginald Earl, Mrs. Linwood Moulton, Mrs. George Hughes, Mrs. Bernice Spaulding, Mrs. T. F. Ball.

We have had such a flood of students for reference work, that we are happy to report that we have won an added \$175 in State Aid to buy more reference books. It has also been necessary to arrange more study space in the children's room. Due to the very successful program on Civil War mementos from this area, which we put on in the Spring, during National Library Week, we have gained in new borrowers and circulation. Also the Summer Book Club for children was as popular as ever. It is encouraging to feel we are reaching more of the townspeople.

LOIS C. EVERTS,
Librarian

SYNOPSIS OF THE WATERSHED STUDIES BEING MADE ON THE BAKER RIVER

Through the years, the Baker River Valley has been subjected to severe flood damages as experienced by storms occurring in 1927, 1938, and 1959. This history of flooding prompted interested local people to submit an application under the sponsorship of the Grafton County Soil Conservation District and the New Hampshire Water Resources Board for assistance through the Small Watershed Protection and Flood Prevention Act (Federal Public Law 566.) The application was approved for preliminary planning studies in June, 1961.

This is a program run by local people with Government assistance. The United States Soil Conservation Service has chief responsibility for administering the program under the Act with additional assistance provided by State and other Federal agencies.

Studies are presently under way to determine the feasibility of a program involving land treatment, channel improvement, and flood-water retarding dams to alleviate future damages in the Baker River Valley. Local communities are encouraged to develop other resources in the watershed, such as fish and wildlife, recreation, and municipal water supply as a part of the comprehensive plan.

Planning studies must show that benefits from this project exceed the costs. If plans are approved for construction, the United States Soil Conservation Service will supervise and pay for the construction cost of all structures installed for flood prevention. The sponsors working with local people would be responsible for land treatment, easements and rights-of-way, administering contracts, and carrying out future operations and maintenance.

It is anticipated that it would require from five to eight years to accomplish the plan.

It is believed that the comprehensive treatment of the Baker River Watershed can be of tremendous benefit to the entire valley. Valuable farmland and urban developments would be protected from flooding, erosion, and sedimentation. The plan would offer opportunities for more intensive use of agricultural lands, and further development of industrial, recreational, and residential property. Carrying out the proposed plan would mean much to the general economy of the area.

AUDITORS' CERTIFICATE

This is to certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Treasurer, Trustee of Trust Funds, Common, Cemeteries, Overseer of the Poor, Fire Commissioners, Library Trustees, Memorial Day and Road Agent and found them correctly cast and properly vouched.

REPORT OF PUBLIC SCHOOL HEALTH NURSE

January 2-'62
47 Main Street
Plymouth, N. H.

Office of Selectmen
Rumney, N. H.

Dear Sirs:

The following is a report of the activities conducted by the N. H. Department of Health, Bureau of Public Health Nursing, for the Town of Rumney for the year 1961. Please have printed in your town report.

A Tuberculin Streeneedle Testing program was conducted in the school of March 7th, 1961, by Dr. William Prince of N. H. Department of Health, assisted by Mrs. Lois Reed, R. N., Public Health Nurse, N. H. Department of Health and Mrs. Helen Fisher, R. N., Local School Nurse. They were assisted with the clerical work by members of Rumney P.-T. A. A total of 138 received the test. A follow-up with home visits on the reactors to the test with tests on various contacts of the members of the families. The reactors were checked by Chest X-rays at the Plymouth Clinic held in Plymouth in April. The Chest X-ray Clinics are held in Plymouth in the Spring and Fall, conducted by the N. H. Tuberculosis Association and the N. H. Department of Health. Reports are mailed following these clinics to all parties concerned, by the Public Health Nurse. Several families from Rumney take advantage of these clinics.

There were no immunization clinics held in Rumney this year but many children took advantage of the Wentworth clinic in August and received immunizations and physical examinations. The nurse was assisted at this clinic by members of the LaMott-Kenneson Legion Auxiliary.

Many home visits have been made by the nurse. Children have been referred to the various clinics as necessary.

Respectfully submitted,

LOIS B. REED, R.N.,

Public Health Nurse

N. H. Department of Health

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Rumney qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the Tenth (10th) day of March, 1962, at 7:45 o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together

with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District will authorize the School Board to appoint a committee of three persons with authority to aid and confer with the School Board in the procuring of information, including, but not limited to, proposed plans and costs relative to the possible participation by the Rumney School District in a secondary Cooperative School District and to report their findings at a special meeting to be called for the purpose.

10. To see if the District wishes to continue formal graduation exercises.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Rumney this 20th day of February, 1962.

SUPERINTENDENT'S REPORT TO THE RUMNEY SCHOOL BOARD

Hereby submitted is my annual report as Superintendent of Schools.

The school year began in Rumney with three changes in the teaching staff at the school. One of them had not been anticipated when contracts were let out and the other two had been planned for some time. Early last year it was expected that the Russell sisters would retire at the end of the 1960-61 school year and preparations had already been made to employ their replacements. A ruling was clarified in June which would have allowed them to teach one more year but plans had advanced to the point where to do this was impossible. However, when Mrs. Greenwood did not return, Miss Mary Russell was given a contract to come back for one more year to fill the position which had been assigned Mrs. Greenwood. Mrs. Marilyn Britton, a graduate of Keene Teachers College replaced Miss Ruth Russell and Conrad Graham, a Plymouth Teachers College graduate who had practice taught at the school, was given a contract to teach in the upper grades. In my opinion, the school is being run efficiently and well. This year for the first time we have tried extending departmentalization down to the Fifth grade. Under this system, the teachers who are strongest in various areas teach these subjects in grades 5-8. In this way I feel the whole program is strengthened. Teachers and pupils seem to like this system and I have been more than satisfied to date with the results. Because of it, a minor scheduling problem developed. During the summer, Miss Ashley and myself worked on this and came up with what seems to be a good solution.

Our educational offerings remain essentially the same and with the addition of educational television, we have a well-rounded program. Our textbook situation and testing program remain as in the past year and at present I recommend no change.

We were sorry to have Mrs. Cross retire as Supervisor of Hot Lunch but Mrs. Lyon who helped her for some time was elected as Supervisor and the program continues to be a good one. It is still considered to be one of the best small programs in the state.

I would like to call your attention to the fact that the Plymouth area has had several meetings and are considering a regional school in the immediate vicinity. Your school board has conscientiously attended these meetings to gather information and in all probability at the next school district meeting will ask for a committee of citizens to work with them to make a wise recommendation to the district as to what course to follow. The advantages to the district of becoming part of such a program I think would be tremendous. Plymouth High School, at the present time, can make over no more classrooms to accommodate an increased enrollment and to remain in the present quarters will mean that in a period of a few years, some tuition pupils will have to be turned away. On the other hand, if a Cooperative or Regional School is formed, the surrounding towns who do not become a part of it cannot expect those towns who do to build facilities for them. This problem requires some serious thinking on a local level to decide which action is best to take. From the experience in other communities, I think it would initially cost the district more to be part of such a project but not to too great a degree and at the same time the district would have part ownership in the school and a voice in its organization and administration. Also, wherever these schools have operated, the trend has generally been that over a period of years, costs have tended to be no more than what they would have been under a straight tuition program.

I am sure that there will be more talk about this as the year goes on and I would be very happy to furnish any information or advice I may have concerning your school problems. Please do not hesitate to ask it any time if I can be of assistance to you. It has been a good year to date and I have enjoyed the co-operation of the School Board and the teachers.

Respectfully submitted,

M. WAYNE BOWIE,

Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1960-1961 received a salary of \$8,050 which was made up as follows: \$3,750 paid from the per capita tax and \$4,300 prorated among the several school district. Allowance of \$1,200. for travel within the union was also prorated as stated above.

The table shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 797.65	\$ 222.60
Dorchester	30.10	8.40
Plymouth	1,636.15	456.60
Rumney	612.75	171.00
Thornton	399.90	111.60
Wentworth	191.35	53.40
Woodstock	632.10	176.40
	\$ 4,300.00	\$ 1,200.00

Superintendent's salary for 1960-61 based on the above figure is reconciled as follows: \$3,750 paid from State per capita tax plus \$4,300 paid by various districts, equals \$8,050 Superintendent's basic salary.

M. WAYNE BOWIE,
Superintendent of Schools

PRINCIPAL'S REPORT

Schools have a profound responsibility for providing experiences for children of all ages. Definite planning makes these experiences possible.

Following the program of departmentalization started in Grades 7 and 8, Grade 6 was added this year with Grade 5 in Arithmetic. We believe this change has strengthened our program.

Television has added interest and help to our classes. Programs in Developmental Reading, Science and History of New Hampshire have brought us material of inestimable value. Classroom instruction, supplemented by T. V. programs, prepared and presented by teachers best prepared in their field, gives the student access to a variety of learning situations.

This year we have welcomed to our staff two new teachers. Mrs. Marilyn Britton and Mr. Conrad Graham.

Your principal and teachers thank you for your cooperation and extend to you our thanks and best wishes.

NELLIE M. ASHLEY,

Principal

THE MUSIC PROGRAM IN RUMNEY

Perhaps the Spring concert of 1961 has been pushed to the back of our minds. However, the musical insights which the students gained from the work which the concert entailed are being evidenced in an enriched musical education this school year. The mention of "Mother Goose Songs" or "The Adventures of Tom Sawyer" evokes a smile from many students who experienced the pleasure, excitement and sense of accomplishment from participation in that program.

Throughout the school year, activities have been planned to increase knowledge and understanding of music and to open new doors of experience for every child in singing, listening, playing instruments, creating, and moving rhythmically.

In addition to the Spring program, the Russell School Chorus sang for the Commencement Program, and all children presented an afternoon of Christmas music for parents and friends.

ARLINE E. WILSON,

Music Supervisor

REPORT OF SCHOOL NURSE

January 1961 — January 1962

The School Nurse visited the school weekly when possible.

Inspections of pupils made frequently.

Vision Screening tests were done on each pupil and notice sent home on each that did not pass the test.

Hearing tests were done and notices sent home on each that did not pass the test.

Weight and Height was taken on each pupil and a Health record kept on each.

Several were taken to Clinics and others referred to Clinics.

An Intradermal skin test was given for T. B. and the ones that had a positive reaction had X-rays and checked by Doctor with a follow-up check in six months.

The State Dental Hygienist cleaned teeth and gave four fluorine treatments to all that had permission for the tests.

Some children that were ill, were taken home by the Nurse, when at school.

Thirty home visits were made for conferences with parents.

A pre-school registration day was attended at the school.

First aid was given as needed.

Attended Child Guidance Clinic in Laconia, Cardiac Clinic in Hanover with child, Speech and Hearing Clinic with a child, also School Nurses Section at State Teachers Convention in Manchester.

Respectfully submitted,

HELEN H. FISHER, R. N.
